

Jackets and Bib Pants

Jackets and bib pants are made of completely washable polyester-gabardine. If other fabrics are sewn into the jacket they are also washable.

You may use "Spray and Wash" and other **non-chlorine** stain removers when washing. **Use only non-chlorine detergent!**

Many detergents are harsh and have a bleaching ingredient that will cause even colorfast fabric to migrate.

Do not use liquid fabric softener on Cesario band uniforms!

A softener sheet may be used in the dryer, however, use only one (1) sheet per dry load (see drying directions below.)

Machine wash on the gentle / permanent press cycle.

At cycle completion place garments in dryer, and dry on cool/permanent press setting.

Caution: Do NOT use a hot dryer setting! A hot dryer setting will remove the press. When dried on a cool or permanent press setting, uniforms will require very little touch up. **Remove garments from the dryer and place on a hanger immediately.**

A date will be set for either February or March to have it turned in.

Please do NOT wait until then to take care of this.

If your garment smells like smoke, or heavily soiled, it will be dry cleaned and the amount will be charge to you via Charms.
